my Darling,

Honey I am in Washington, that is I am at millies. I got here about 2 P.M. But she wasn't home so I went down to a show and then came back about 5 P.M. and she arrived shortly.

It sure is good to see her again. She is looking swell and has gained some weight or looks like she has anyway. She and Velma seem very happy here. They really have a nice apt. and Mitchel has some very nice furniture. We couldn't go out tonight. Mitchel said that everything would be so crowded that we couldn't get in even if we wanted to so we just stayed home and talked, and Mitchel loved the Button on my blouse and fixed the key in the living. She just repaired it all over.

Honey my clothes haven't caught up with me yet, so I had to come in in dirty clothes. But Sis said it was O.K. She is going to press my things with a damp cloth in the morning and maybe they will look better.

We called Gale tonight. Like to never have gotten him but finally made contact. He is fine and is going to try to come in on pass tomorrow. I sure hope he makes it as I would sure like to see him.

Tomorrow we are going to look the town over, and see all the sights of Washington. I bought

I bought myself two pairs of Boots today they are really nice & other than that I haven't found much to spend my money for. maybe it is just as well. I sure hope my clothes come soon. I need a change.
